

PAYROLL TRANSFER

You find the people. We take on the employment burden.

Operate your business with less employment risk.

Payroll transfers are designed for companies that already know who they want working for them and prefer Flagship to take on employment risk, offer benefits and reduce administration work.

WHEN PAYROLL TRANSFER MAKES SENSE

YOU DONT WANT THE RISK

Flagship will provide workers comp, insurance, and benefits.

REDUCED ADMINISTRATION

Flagship handles all EOR services, payroll, time keeping, payroll taxes, and more.

FLEXIBLE HEADCOUNT

You want workforce flexibility without the permanent headcount

HOW IT WORKS

01 Send us the worker details

Provide us with worker information, role, pay rate, and assignment details.

02 Flagship handles onboarding

Flagship will complete the applicable onboarding and employment documentation.

03 They work with your team

They will report to you and your operation and follow day-to-day direction

04 Flagship handles payroll

We process payroll and handle applicable employment administration
