

TEMPORARY STAFFING

Flexible workforce support built for the marine industry.

Add the people you need, without adding permanent headcount.

Temporary staffing gives your business the flexibility to bring in qualified people for workload spikes, projects, seasonal demand, coverage gaps, or ongoing support. Flagship recruits and employs the worker while your team directs the day-to-day

HOW IT WORKS

01

Tell us what you need

Position, skill level, location, duration and requirements.

02

We recruit & screen

Flagship sources and vets candidates for your operation.

03

You select the fit

You review the candidates and select who joins the team.

04

We employ & support

They work with you while Flagship handles the employment side.

FLAGSHIP HANDLES

- Recruiting & candidate screening
- Payroll & payroll administration
- Employer payroll taxes
- Insurance & workers comp coverage
- Benifits & employment administration

WHY CLIENTS US TEMP STAFFING

- Evaluate talent before a long term decision
- Reduce internal hiring workload
- Reduce employment risk
- Project and seasonal support
- Cover unexpected gaps

YOU MANAGE THE WORK, WE HANDLE THE REST.

Tell us what you need and Flagship will build the staffing solution around your operation.
